

JOIN THE KRUM FRIENDS OF THE LIBRARY!

The Krum Friends of the Library is a fund raising group of volunteers supporting your community library. Through their efforts, YOUR new library has received

- Financial Assistance for the Summer Reading Program
- Furnishings for the new Library
- Art Displayed within the Library
- Changing Tables for the Restrooms
- Craft Supplies

Funds have been raised through

- Donations
- The Wishing Well

and Activities such as

- The Haunted Library
- Teen Time

We especially need Friends to help with the Wednesday After School Teen Time Program, which gives our Krum Students an opportunity to socialize with their classmates, play games, and explore various careers, while we man the Snack Bar! Can you help by committing to one Wednesday a week when school is in session?

Friends may also offer support to the Library by volunteering to help in other ways!
